Dear parents, grandparents and friends,

Assembly

Today at assembly, we heard from several students across the school about their learning goals. Siana (5/6W), Toby (3/4P), Lewis(1/2B) and Ceejay (Foundation B) each shared a current goal, and the steps they are taking towards achieving their goal. Have you seen any of your child's goals in their Class Dojo Digital Portfolio? Teachers discuss the goals and progress with students in all areas regularly. Lessons are designed to help students work towards their goals.

Senior Athletics Sports

Congratulations to our students, Mr O'Loughlin, volunteers and our staff, on a very successful senior athletics sports event on Tuesday. A big crowd cheered on the students as they strived for their personal best on a perfect autumn day. We saw students cheering on their fellow students and showing pride in the efforts of their House! It is always wonderful to see students helping and encouraging others. Our school values are alive and well! Mr O'Loughlin did a superb job of managing the organisation so that the day progressed smoothly. These days are impossible to conduct without the help of our parents and volunteers. Many thanks to all parents and other volunteers who helped, including students from Woodman's Hill Secondary College. Best wishes to the students who will progress through to the next stage, representing Dana St at the Sturt District Athletics on 4th April. The shield and age group champion medals are currently being engraved and will be presented as soon as possible.

Attendance- Every day counts!

Unless children are unwell, they should be at school. Important learning takes place at school every single day. Lessons are often designed in a sequence, and while we understand that sick children need to be at home, they can miss important learning with an excessive absence rate.

Have you thought, "It's only a day here and there?"

It's only

How can I help my child to SUCCEED at school?

Stay involved and feel free to contact your child's teacher.

Read with your child every night.

Have a quiet place for homework and encourage organisation and responsibility rather than rushing at the last minute.

Make sure your child is getting plenty of sleep.

Ask your child about school and encourage them to talk about their day.

Do not let your child hear you talk negatively about their teacher or the school.

Athletics News

On Tuesday 22nd March we had our Senior House Athletics at Llanberris Reserve. Our students rotated around eight track and field events throughout the day including long jump, triple jump, high jump, shot put, discus, 100m, 200m and hurdles with the 800m being an optional event held during the lunch break.

Our students were all striving to improve their scores and achieve a higher standard to earn more points for their house. The standards system allows all students to set achievable goals for each event and strive to achieve their own personal best. Students had a small card attached to their top where they recorded their best performance against the standards to take home and keep. Standard four earns four house points, standard three earns three house points etc.

Our final event for the afternoon was the house relay races. The points were close and the stakes were high with house pride on the line. The relays had some extremely close finishes with the home straight a wave of noise from chants and screams of encouragement. Our students all showed tremendous teamwork with Dunne and Martin winning one relay each and Spielvogel winning two.

2022 Final Standings:

Place	House / School	Points
1 st Place	Spielvogel House	504
2 nd Place	Dunne House	480
3 rd Place	Martin House	476
4 th Place	Baker House	464

Our 2022 results were nearly a complete reversal on last year's results with Spielvogel winning the event after placing fourth last year and Dunne house placing second after third last year. Well done to all students for their efforts in earning house points. Every single point and effort counts towards the shield.

The Age Group Champion Medals will be handed out at an assembly in the coming weeks once they have been engraved.

Good luck to all 35 of our students who are progressing on to represent Dana Street at the Sturt District Athletics on Monday 4th of April (Week 10). The district team was announced on Wednesday afternoon and the permission notes were handed out yesterday. Grade 6 students will be able to get their permission note after they return from camp.

Finally, I want to say a huge thank you to all of the volunteers, parents, teachers and Woodmans Hill Secondary College students. Without them our athletics day would not have been as successful as it was.
