

22th November 2023

Dear parents/guardians,

Parent Payment Arrangements – 2024

Ballarat Primary School (Dana Street) is looking forward to another great year of teaching and learning and would like to advise you of the schools voluntary and extracurricular contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all curriculum contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Please find attached Ballarat Primary Schools voluntary contributions schedule for 2024.

A 2024 Excursion Financial Planner is also attached as a reference for proposed activities in 2024.

Payments (either full or via a payment plan) are vital in allowing us to ensure appropriate resourcing of programs for your child.

In 2024 parents will be asked to make contributions as activities and events occur throughout the year. This communication will come via [SENTRAL](#).

Additionally, parents will be provided with year level booklist with items to purchase from Champion Education/Ballarat for your child to own and use. All ordering is completed online via Champion Education.

Copies of 2024 Booklist are available on our website www.danaps.vic.edu.au under School Documents.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours Sincerely,

Ryan Oliver
Principal

Steven Rothberg
School Council President

Financial Support for Families

Ballarat Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund
- State Schools Relief (SSR)
- Payment plans for Extra-Curricular Items and Activities (smaller, frequent payments)

CAMPS, SPORTS AND EXCURSION FUND (CSEF) [HOW TO APPLY](#)

Contact the school office to obtain a CSEF application form or download from [Camps, Sports and Excursions Fund | vic.gov.au \(www.vic.gov.au\)](#)

Payment method

The schools preference is for payments to be made via [SENTRAL Parent APP](#) or B'Pay. Each family has an individual B'Pay reference number. Please contact the office to confirm your details.

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis considering the individual circumstances. We will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

Need more assistance.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact our Business Manager, Penny Kaletsch on 5332 1301 or email Ballarat.ps.dana@education.vic.gov.au

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to **the school's functions and objectives.**

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
